

DOYOUNG KIM

E-mail: dk22q@fsu.edu
September 2026

RESEARCH INTERESTS

- Geometric statistics
- Shape analysis
- Functional data analysis

EDUCATION

- **Florida State University**, Tallahassee, USA 2022 – 2027 (expected)
 - Ph.D. Candidate in Statistics
 - Advisor: Prof. Anuj Srivastava
- **Sungkyunkwan University**, Seoul, Republic of Korea 2020 – 2022
 - M.S. in Statistics
 - Advisor: Prof. Chanmin Kim
- **Sungkyunkwan University**, Seoul, Republic of Korea 2014 – 2020
 - B.A., B.Ec. in Library & Information Science, Statistics (Double Major)

PUBLICATIONS

D. Kim, K. Bharath, I. H. Jermyn, S. Kurtek, A. Srivastava, “Geometric Gaussian Processes for Statistical Inference on Nonlinear Manifolds,” *Journal of the Royal Statistical Society: Series C*, revision invited.

HONORS AND AWARDS

UNIVERSITY AWARDS

- Dean’s Award for Doctoral Excellence Sep 2024
 - College of Arts and Sciences, Florida State University
- Best First Year Student in Applied Statistics Dec 2023
 - Department of Statistics, Florida State University

POSTER AWARDS

- Honorable Mention, 2021 Spring Conference of The Korean Statistical Society May 2021
- Winner (1st place), 2021 Spring Conference of The Korean Data & Information Science Society May 2021

PRESENTATIONS

POSTER PRESENTATIONS

- Title: Nonconstant Error Variance in Generalized Propensity Score Model
- 2021 Joint Statistical Meetings Aug 2021
 - 2021 ISI World Statistics Congress Jul 2021
 - 2021 Bernoulli-IMS 10th World Congress in Probability and Statistics Jul 2021
 - 2021 Spring Conference of The Korean Statistical Society May 2021
 - 2021 Spring Conference of The Korean Data & Information Science Society May 2021

TEACHING EXPERIENCE

DEPARTMENT OF STATISTICS, FLORIDA STATE UNIVERSITY

- Instructor of Record, Introduction to Applied Statistics (STA 2122) 2023 – 2026 (7 semesters)
- Recitation Instructor, Introduction to Applied Statistics (STA 2122) Spring 2023
- Recitation Instructor, Fundamental Business Statistics (STA 2023) Fall 2022

DEPARTMENT OF STATISTICS, SUNGKYUNKWAN UNIVERSITY

- Teaching Assistant of Advanced Mathematical Statistics (Graduate Course) Spring 2022
- Teaching Assistant of Introduction to Mathematical Statistics Spring 2022, Spring 2021
- Teaching Assistant of Statistical Inferences (Graduate Course) Fall 2021
- Teaching Assistant of Introduction to Statistical Inferences Fall 2021
- Teaching Assistant of Statistics Fall 2020

COMPUTING SKILLS

- Python, MATLAB, R
